### SUMMARY

Strategic Partnerships & Operations Professional with 6+ years of experience in business development, GTM strategy, and cross-regional partnership management across APAC and EMEA. Proven track record in structuring agreements, driving commercial ROI, and managing high-stakes relationships in the e-commerce and AI SaaS sectors. Adept at navigating complex partner ecosystems and aligning cross-functional teams to launch product-enabling initiatives.

### PROFESSIONAL EXPERIENCE

#### Guerlain (LVMH)

##### Global Business Analyst (CDD)

France, Paris

Jan 2025 - Sep 2025

- Led regional business diagnosis and performance tracking across 30+ markets, delivering data-driven recommendations that directly influenced global GTM strategy and budget allocation.
- Standardized global Power BI dashboards and defined success metrics (KPIs), raising data accuracy from 56% to 88% and automating quarterly business reviews.
- Conducted competitor benchmarking and market trend analysis to support the CEO and commercial teams in identifying operational gaps and growth opportunities.

#### Algomatic (AI SaaS Startup)

##### Global Strategy Consultant

Tokyo, Japan

May 2024 - Sep 2024

- Developed the APAC GTM strategy and negotiated terms with enterprise partners, securing the first high-value agreement within one month and establishing a scalable partnership framework.

#### Group G Marketing Agency

##### Digital Performance Marketing Strategist Consultant (Remote)

Taiwan, Taipei

May 2023 - Dec 2024

- Served as an external product expert for FMCG and Fashion clients, designing and executing Meta/Google advertising strategies that improved ROAS by +40%.
- Partnered with client leadership to build measurement schemes and Looker Studio dashboards, ensuring real-time optimization against business objectives.

#### Olivia Yao Jewellery

##### Head of Marketing Growth & Operation

Taiwan, Taipei

Jul 2021 - May 2023

- Led end-to-end go-to-market strategy plan, expanding business to Hong Kong & Japan, driving GMV (+43% YoY) through multichannel acquisition, CRM personalization, and funnel optimization.
- Identified and executed strategic co-branding partnerships with top-tier KOLs to co-develop new product lines, expanding brand reach into the home decor vertical.
- Managed the full lifecycle of partnerships with manufacturing entities and external designers, from negotiating terms for new product branches to overseeing cross-functional execution.
- Increased Ads ROI by 30% Avg. through incentive design, loyalty offers, and A/B testing frameworks.

#### Pinkoi

B2B2C eCommerce platform for designers invested by Sequoia with approx. 52,000 sellers from 77 countries.

##### Senior Fashion Category Manager

Taiwan, Taipei

Jun 2020 - May 2021

- Owned growth in the Fashion vertical (45% of GMV) across Taiwan, Japan, Thailand, and Hong Kong.
- Led 22 online campaigns from beginning to end, including analysis, campaign content management, and external partnership management including agencies, influencers, and B2B partners.
- Developed SQL/Tableau segmentation models and redesigned KPI frameworks for all categories to formulate strategy and allocate resources, building GTM toolkits and playbooks to help regional teams execute consistently and scale merchant adoption across APAC.

#### Brand Marketing Manager

Jun 2018 - Jun 2020

- Led the company's largest year-end campaign. Collaborated with Product, Engineer, & Data teams increasing sales by 17% and traffic by 23% with gamification features.

### EDUCATION

#### HEC Paris

##### Master of Business Administration | Major in Advanced Management

France, Paris

Sep 2023 - Jun 2025

- Co-Founded Asian Entrepreneurs in Europe, a consultancy providing go-to-market services for startups.

#### National Taiwan University

##### Bachelor | Major in Finance

Taiwan, Taipei

Sep 2010 - Jun 2015
